

DOI Work Activity 0Y: Process Mining Notices

Program Area:	Resource Use – NON-ENERGY MINERALS
End Outcome Goal:	UEO 3 – LAND-RELATED RESOURCES – Manage or Influence Resource Use to Enhance Public Benefit, Responsible Development, and Economic Value
Intermediate Outcome:	This activity does not align to an intermediate outcome
DOI Sub process:	4a – Manage use of resources

Examples/Notes: This activity applies only to BLM

Work Activity Description: Work includes all actions taken to process and review of Notices, even if withdrawn prior to acceptance. Includes reviewing, analyzing, accepting, denying or discussing notices with a claimant or operator. Use for all reclamation activities such as wildlife or cultural work necessary for closing an authorized operation. This activity should not be used for inspection efforts, even inspections performed to confirm the success of reclamation.

Output: Notices processed	Unit of Measure: Number of Notices Processed. All work shall be properly documented with appropriate data entered into automated systems in a timely manner. Cases shown in automated systems as received will be reported as the workload accomplishment. Offices will report on number of notices reviewed during the fiscal year by category including amendments to existing notices.
Inputs:	Cost Drivers:

System Interfaces: Case recordation, ORCA, LR2000. Casetypes by action code by state for notices
